Window Handles

*Fuels production with innovation,
Makes product to better serve life.*

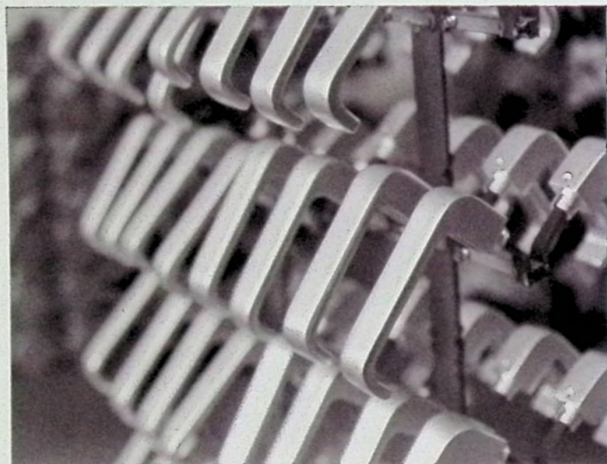

Meila Hardware

将艺术与美融入到五金的研发设计中，改变传统五金冰冷、呆板、低质工业品
印象；将出色的门窗控制系统带给大众，让现代建筑空间更有品质和魅力，让用户体验触手可及的生活艺术。

To integrate art and aesthetics into product designs, changing ice-cold and rigid image of low quality industrial products for window fittings. To provide outstanding window and door control systems to public, making modern buildings more charming than the past, and creating user experience of feeling life art at fingertips.

Company Profiles

公司简介

Meila was founded in 1991. Our headquarter is located with in Jinzhu Industrial Zone in Wenzhou Zhejiang, covering about 20000 square meters of land and 17000 square meters building area. With nearly 330 employees, we specialized in both hardware manufacturing and surface treatment.

For years, Meila focuses mainly on technical innovations, sustainable production process and efficiency improvement. With in our teams, we encourage the float of new ideas, diversification and communications, we believe only product can speak for itself.

从1991年创建至今，美拉五金已有30年历史，是“瓯海名牌商标”企业，总部位于温州市瓯海区。厂区占地近30亩，共计330名员工，年产量可达1500万件产品。是集制造、表面处理于一体的综合性现代化企业。产业涉及家居及建筑，物联网，医疗器械，户外装备，时尚饰品。

美拉始终坚持以科技、环保为导向，以创新、竞争为宗旨，以品质、高效定标准，以诚信、务实律自身，坚信以日益强大、卓越的产品阵容来满足用户越来越多元化、个性化的需求。
