

YOUJIN

QUALITY FROM  Germany

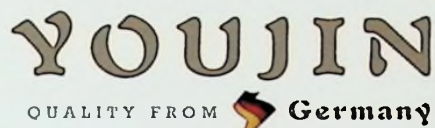

Comply with Legends

与传奇为伍

In 1957, the founder of YOUJIN (Eugene hardware) Tim Eugene founded YOUJIN brand in the small town of Sitagaden, Bavaria, Germany.

After years of accumulation, YOUJIN has always been committed to the research and development and production of functional and practical products.

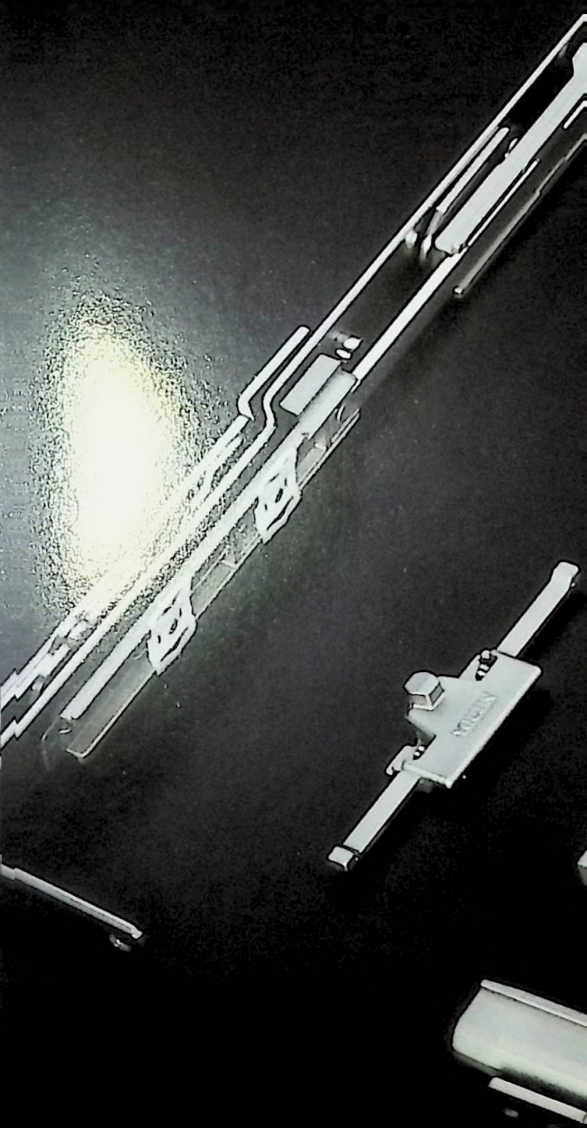

Integrate healthy and environment-friendly materials with the design concept of "people-oriented", Adhering to the excellent tradition, strong strength, advanced technology, strict environmental protection standards and excellent humanistic quality There are many high-quality products with advanced technology that conform to human function.

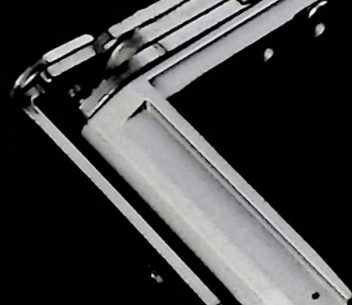

In 2018, YOUJIN officially settled in China, with its headquarters in Hong Kong. The door and window hardware products under the company are characterized by their perceptual design, excellent quality and comfortable use experience As well as the business philosophy of mutual benefit and win-win has won extensive praise from domestic customers.
